# Cushion Station™ Mats

Anti-Fatigue / Dry or Wet Environments / Indoor

Cushion Station (with holes)

Cushion Station (without holes)

Cushion Station anti-fatigue mats feature nitrile-blended foam designed to withstand grease, oil, and chemicals. They are anti-microbially treated to prevent odors and available with or without holes for use in wet or dry areas.

- **Comfortable** - 7/16" nitrile-blended closed-cell foam provides excellent anti-fatigue properties
- **Clean** - Anti-microbial treatment provides lifetime protection from odors and degradation
- **Safe** - Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- **Versatile** - Grease/oil resistant; chemical resistant; welding safe
- **Easy to Clean** - Flexible construction makes this mat easy to clean; can be autoclave sterilized
- Available with drainage holes for wet area applications
